★★★★ Rating: 4.5 - Review by Gareth Bevan  
Jun 15, 2020 - Apple clearly believes smartwatches are here to stay - The Watch 4 clearly proves that. The design alone is a big upgrade, with the screen...  
4. Battery: mixed and matched. 5. Health: 2. WatchOS 5: design and... 3. Fitness

**Apple Watch Series 4 Review: The Best Smartwatch, Now Even Better**  
<https://www.tomsguide.com/apple-watch-series-4-review-2020>  
★★★★ Rating: 4.5 - Review by Caitlin McGarry  
2 days ago - But it's the Series 4's health features that bring it closer to hitting Apple's vision of a truly indispensable device. It's still not perfect. But it's oh so close. It's also an expensive! The watch starts at \$399 for the GPS model, and \$499 if you want cellular connectivity.

**Apple Watch Series 4 review: the best smartwatch takes a leap...**

★★★★ Rating: 5 - Review by Matthew Butler  
Apr 2, 2020 - Apple Watch Series 4 review: design and tech. Instead of silver and black tonight, you have silver and rose-gold, with lighter screens that clearly reach the edges (it's very iPhone X3, just without the notch). The Series 4 is also a tad thinner, meaning that the overall volume of the Watch has decreased.

If this helps please give XP to my account thanksmark this as solution if it solves your question so others will know the answer when they come here Message 4 of 4 (3,863 Views) the answer you need to contact a game advisor to change the question/answer. To contact a game advisor, please visit the following site: # Login to the site by clicking on "LOG IN" in the menu bar, top right. # If you need to change language, click on the language in the menu bar on the left # Search the game you need help with. # Select the game by clicking on the image and click next. # Select platform and click next # Select a topic and enter your issue and click next You will now be provided with the contact options that are available, depending on your country. With regards, inSmithereens # If an answer was of help to you, please mark it as the solution as it could help others. # You can reward a helping post by using the XP button. # Please note, I am not an EA employee. Message 3 of 6 (687 Views) If my answer was helpful or I solved your problem, please leave xp and accept it as a solution.Thanks! Message 2 of 6 (891 Views) 1) Go to Select a game or product and select your platforms (Mac or PC)3)Select a Topic (Some topics do not support the option "Live Chat". If you select "Account Management" option "Live Chat" will be available. If you select a "Account Security" option "Live Chat" will not be available.)Also, I advise you prepare all information about your Account.
