

Imo hack mod apk

Continue

These days, video calling apps are top in demand and we all are looking for apps which are pretty easy to use. And among them one such app is the IMO MOD APK. The app is absolutely free to use and offers you faster video calling and messaging services. Along with that, it comes with lots of cool features that makes video calling super easy yet fun. For example, it allows you to have group video and audio chats and so on. So in case if you are looking ahead to download IMO MOD APK on your Android device, then you are on the right page. But first, let me just go ahead and talk about what is IMO apk. So here we go: What is IMO MOD APK? Imo is a free to use simple, and faster video calling and instant messaging app. With the help of this app, you will be able to send text or voice messages. Or you can video call with your friends and family pretty easily. The app also known for offering a stable performance even when the signal is pretty bad. Moreover, the app also supports group video and audio chats. You can video chat with up to 20 members in real time. Or you can enjoy live talks with colleagues, friends, and families. Even with the help of IMO, you will be able to send large size videos or documents. The app is also compatible with all network types. And it offers you free and unlimited instant messages and audio or video calls. Even with the help of this app, you will be able to make international calls to landlines or mobile phones. But this one is not really a free feature of the app. But yes, as we are sharing a mod apk which is a hacked version of the original app. As a result, you don't have to pay any fees or buy any subscription to make international calls to landlines or mobile numbers. Top Features of IMO MOD APK Share files With IMO, you will be able to share your multimedia files pretty easily. It allows you to share your photos, videos, or documents, zip, pdf, and so on. Even, you can also use the app to send and receive voice messages. Free international calls IMO mod apk also offers you free international calls. You can make international calls to your friends and family members absolutely free. Even, there are no charges included for sending messages internationally. Plus, you will get to experience crystal clear and HD quality instant video calls. Powerful features Imo also offers you lots of powerful features. For instance, you can enjoy group chats up to 100,000 members. As well as share large videos and documents of all types. Also, it supports cool stickers that you can send to your friends. Cross-platform support Another cool part of IMO is that it has apps for all the devices. As a result, the app is fully accessible from Android, iOS, Windows, and macOS. As a result, you will easily be able to see all your messages, calls and share other media directly from your desktop or Android device. Minimum data usage One of the best parts of IMO mod apk is that it uses extremely low data. As a result, you don't have to spend MBs of mobile data to enjoy video or audio calling. So your internet bill will be lower. FAQs Is Imo app safe? Yes, it is very safe to use IMO for video calling, unless d other person is not recording ur video call through other application.
