Was very upset when the chapters I needed werent in it. It only goes through chapter 6. Even though the product description lists 26 chapters, the book itself only has 6 chapters. MCO P5060.20, which this book purports to reprint in its entirety, has 26 chapters and 4 appendices. <http://adanamega.com/userfiles/cpcl-programming-manual.xml>

This manual, reproduced in multiple parts, is designed to provide uniformity and standardization for all close order drill and military ceremonial evolutions. One of the cornerstones of Marine Corps customs, courtesies and traditions is our execution of close order drill and ceremonies. These traditions are perpetuated from one generation to the next through constant use and practice. The esprit de corps of every Marine has been brought about by their everpresent feeling of pride, not only in their unit, but also in themselves. The preservation of traditional discipline, our customs and courtesies, and the heritage of our Corps is our duty. It is our further duty to see that the same high standard of discipline and esprit de corps is not only preserved, but also further strengthened. These

Additionally, it is still one of the finest methods for developing confidence and troop leading abilities in our subordinate leaders. Ceremonial duties are written deep into our history as a Corps. It is no coincidence that among the units famous for ceremonial prowess and spitandpolish are also to be found some of the worlds most redoubtable fighting formations. The hallmark of the world s fighting organizations, the Roman legions, the Spartans, the Foreign Legion, the British Brigade of Guards and many others is that they are as good on parade as they are in the field or in the attack.<http://chinahoists.com/upload/1599806191.xml>

While we no longer use drill and formations to align the ranks as was done for the phalanxes of Rome or the squares of Waterloo, drill and ceremony is still the foundation of instilling and developing discipline in any size unit and the individual. The Marine Corps has long enjoyed a worldwide reputation for sharp appearance and soldierly performance of duties. Our reputation as a Corps is built upon the legacy of those that came before us and puts us on par with the finest military organizations in the world s history. This reputation has been enhanced by continually demonstrating that our execution of peacetime functions is excelled only by our performance in battle. The special distinction that the Marine Corps has today in regards to drill and ceremonies is best exemplified by the saying First on foot, and right on the line. This privilege bestowed on the Corps by the Secretary of the Navy on 9 August 1876, gives Marines the place of honor in any Naval formation. Hal D Roth 5.0 out of 5 stars I paid three times what I needed to pay. So, overall, I am reasonably happy with what I got I just wish they were clear that I was buying the same thing over and over. So, by all means, buy it if you are interested just buy one copy. The District also provides equal access to its facilities to the Boys Scouts and other patriotic youth groups, as required by the Boys Scout of America Equal Access Act. Part of these courses require Marines to complete multiple drills. One of those drills is Sword Manual.

Tilt it forward to form an angle of 45 degrees with the deck. At the same time, reach across the front of the body and grasp the sword grip with the right hand; draw the sword about 10 inches from the scabbard until the right wrist and forearm are straight and parallel to the deck. The right thumb and forefinger embrace the lower part of the grip, with the thumb against the trouser seam, and the remaining fingers joined in a natural curl behind the end of the hilt as if holding a pen or pencil. This is the position of carry sword. Retrieved 10 October 2016. This article incorporates text from this source, which is in the public domain.
