And was never even mounted. It has been fully tested and works great. See my other listings. BID WITH CONFIDENCE I have been an EBAY member since 2001 and have 100% positive feedback. The Best Defense is a Good Offense The WT4911 Wireless Outdoor Siren is a fully supervised wireless siren designed to work with the Alexor Wireless Panel. The WT4911 combines form and function to provide improved protection against intruders. Before they get the chance to enter the home.

http://dev.pb-adcon.de/node/21472

With its powerful 105dB sounder, the WT4911 will enunciate unwanted entrance to property and premises. The accompanying strobe light also provides a visual warning and deterrent upon activation. The WT4911 distinguishes.Build Your Brand and Your Business The WT4911 siren can be installed anywhere outdoorsor even indoors. For those requiring a louder siren fast and easy. A large

surface area on the siren allows for security company logos, increasing brand presence and awareness. Secure. Continuous Communication with Added Benefits The WT4911 offers 2way wireless and continuously supervised communication with the Alexor Wireless Panel. The signals between the WT4911 and the panel are fully encrypted. Prohibiting unauthorized interruption of communication between the two. If the WT4911 siren is disabled or tampered with. Alexor will immediately be signaled and the appropriate transmission will instantly be transmitted to the monitoring station. Additionally. One of the other sirenseither indoor or outdoor or Alexors onboard siren itself installed on the system will make up for the absence of the WT4911. Up to four sirens can be installed on the Alexor Wireless Panel.Pleas contact me at 515 707 8120. Please do not use email to contact me. Ebay messages or phone only.
