Download Bloons TD 6 on PC with BlueStacks . Bloons TD 6 (v31.2.5337) PC game in a pre-installed direct link Each game, place one of these unique and powerful monkeys with 20 signature upgrades Two bloom-shredding activated abilities per Hero Craft new gameplay strategies around each Hero's powers and synergies Over 100 meta-upgrades that buff individual monkey towers or monkey groups Adds late game power so you can win more maps and reach higher freestyle rounds Play anywhere Bloons TD 6 Free Download PC Game Repack-Games.com single player offline works even when your wifi doesn't New Bloons - tricky new bloom types like Purple, Fortified, and the relentless B.A.D. HOW TO INSTALL How To Install Download The Game Extract It Using (WinRAR) Run The Game As (Admin) That's It (Enjoy) SYSTEM REQUIREMENTS MINIMUM: OS: Windows 7 or higher (64-bit) Processor: 2.4 Ghz Dual Core CPU Memory: 8 GB RAM Graphics: 1 GB Dedicated Memory DirectX: Version 10 Network: Broadband Internet connection Storage: 12 GB available space GAMESDATADATABASEDownload HereFICHIERDownload Here Softonic reviewBloons TD 6 is the latest game in the Bloons Tower Defence game series. Developed by Ninja Kiwi, the game is available for Windows at a nominal cost. You can also download it on your Android or iOS smartphone. Bloons TD 6 game requires players to prevent enemy 'Bloons' or balloons from crossing the tracks and taking lives. Bloons TD 6 offers various improvements as compared to other Bloons games. The latest installation comes with 3D graphics, better visual effects, and new animations. Some Bloons TD 6 alternatives that also offer hours of fun are ShellShock Live, Fall Guys: Ultimate Knockout, and Prison Architect. What can users expect from Bloons TD 6 latest version?Bloons TD 6 is a popular strategy game that follows the same gameplay as its predecessors. However, the game features improved visuals and graphics. Your goal is to prevent balloons from creating a path and reaching the goal. You can do this by setting up traps and monkey towers. Pop the Bloons as they pass by the non-monkey and monkey towers, thereby preventing them from going forward. The more balloons you pop, the more money you earn which you can use to construct more towers. The paid game retains several upgrades from the previous 5th version and introduces 3D graphics, Heroes, Trophy Store, additional balloon types, and more. What is the gameplay of Bloons TD 6?The core gameplay of Bloons TD 6 is the same as the previous TD games. As a player, your goal is to stop enemy balloons, called Bloons, to reach the exit by constructing a defense with the help of various towers called Monkeys. Once the Bloons begin to attack, you will have to pop them using darts to earn money. You will then be able to use this money to buy new towers, upgrade existing towers and get meta-upgrades and skins for towers so they perform better. Once you start popping balloons, hours will seem to run by, and you will have to cross several rounds. Each round comes with a set of balloons that vary in density. However, once you start passing through rounds, new balloons will come into play, and they will be harder to beat. For beginners, Bloons TD 6 features multiple gaming modes. These include Easy, Medium, and Hard modes, all of which have sub-modes. Thanks to the multiple modes, players can play one map in a variety of ways. Moreover, the money players gain also depend on the difficulty of the map, as well as the mode selected. Does Bloons TD 6 have any advanced features?While Bloons TD 6 follows the same gameplay, it does come with a range of new features. For starters, the gaming app comes with better graphics and game mechanics. It also introduces new Bloons, a new hero, and monkey towers. Furthermore, although the game remains in 2D perspective, it uses 3D graphics to make the gameplay more interesting, challenging, and vibrant. Bloons TD 6 retains signature upgrades wherein you can use Monkey Money to buy powers, heroes, cosmetics, and knowledge. However, it also adds a new currency that is rare, called Trophies. You can use these Trophies in the new Trophy Store to purchase exclusive items that can't get unlocked using Monkey Money. Can you get Bloons TD 6 for free?Bloons TD 6 isn't available for free. However, you can download the game on your Windows 7 and above computers by paying a nominal fee. Once that's done, you will have access to a strategy and long-term management game that offers addictive gameplay and hours of fun. Can you play Bloons TD 6 offline?Yes, similar to the previous versions in the Bloons Tower Defence game franchise, Bloons TD 6 can also be played offline. The game also includes new and more difficult game modes that weren't available in the previous versions. Is Bloons TD 6 worth it?If you're looking for an entertaining strategy game, then download Bloons TD 6. Developed by Ninja Kiwi, the game offers new and improved graphics and visuals. It also comes with gameplay that sees players pop a variety of enemy balloons from Monkey towers and earn money. Players can then use this money to unlock items and upgrade towers. The paid game offers an offline mode and is available on multiple platforms.
