Let it cry that it sits alone by a lamppost that tries to find a thought that escaped his mind that says dad the one I love most but the crammed is not far from behind you it never allows me to tell me only where it is it was when he had too much to drink I say that I don't care, run my hands through his dark hair and then please God you have to help me fly away and only ... let him cry ... if the tears fall as the rain let him sing ... if you relieve all your pain to let it go ... let go ahead of me and if the sun comes tomorrow, let it be ... let it be and I had a beer and I'm sorry for myself. She let her cry ... if the tears fall as the rain let it sing ... if you widen all the pain of her let go ... let go ahead of me and if the sun comes, ... if the tears fall as the rain let it sing ... if you relieve all the pain of her let go ... let her walk from me and if the sun comes, ... let it leave that is. Last night I tried to leave you so much that I couldn't believe that she was the same girl I fell in love with a long time ago in the back to get up I sat on my couch and screaming oh mom please help me hold my hand. And let us cry ... If tears fall like rain let her sing... if she spreads all her go... let her walk on me and if the sun comes tomorrow I will be. Let it be. Let her cry... If tears fall like rain let her sing ... if if relieves all his pain Let her go... Let me go, and if the sun rises tomorrow, let it be... Leave her alone.
